2. FINANCIAL PERFORMANCE

The sudden outbreak of COVID-19 Pandemic worldwide since January 2020 and in India from March 2020 and the resultant nationwide lockdown announced by Government from 24th March 2020 has significantly affected normal working of your Company. Manufacturing operations was suspended since 24th March 2020 on account of Nation-wide lock down. Plant restarted in a phased manner from 27th May 2020. However due to State Govt regulation of COVID spread, the operations at plant was again suspended from 10th July 2020 to 12th August 2020. Due to suspension of operations for significant period on account of COVID-19 pandemic outbreak as aforesaid, the business conditions have become adverse and there was an acute liquidity stress. As a result of acute liquidity constraints and lower demand situation, operations were suspended again from 14th August 2020. Finally, the plant resumed operations from 25th September 2020. The plant could operate only for 50 days during first half of FY 2020-21. This has severely impacted the performance and the cash flows of the company. The capacity utilisation was gradually ramped up from 3rd Quarter and presently the plant is operating at 50% capacity due to paucity of working capital and liquidity stress. There were Nil revenues during the period of suspension of operations as aforesaid. However, your company had to meet various payment obligations towards wages & salary, Fixed overheads, Statutory payments.

Pursuant to Regulation 17(1) of SEBI (LODR) Regulations 2015, the composition of the Board of Directors of company would have been six Directors as on 1st April 2020. Though the Board of Directors at their meeting held on 14.03.2020 identified an Independent Director, the appointment was postponed for the next meeting scheduled prior to 31.03.2020. In view of the National Lock down announced by the Government of India/State Governments, the Board of Directors were not able to meet on the specified time and hence delayed the appointment. Thereafter, the Board met only on 31.7.2020 and appointed the sixth Director. As per Market Capitalization of NSE, our company falls in top 2000 companies and accordingly NSE has levied a fine of ₹ 5,36,900/- (including GST) for April- June 2020 Quarter and ₹ 1,77,700/- (including GST) for 30 days in month of July 2020 , aggregating ₹7,14,600/-. The company has filed separate applications requesting waiver of the fine. The said applications are pending with NSE and we expect a favorable decision.

In accordance with the provisions of Regulation 26 (6) of the Listing Regulations, the Key Managerial Personnel, Director(s), Promoter(s) and Employees including Senior Management Personnel of the Company have affirmed that they have not entered into any agreement for themselves or on behalf of any other person, with any shareholder or any other third party with regard to compensation or profit sharing in connection with dealings in the securities of the Company.

MANAGEMENT DISCUSSION & ANALYSIS

Global Textile Industry

The outbreak of Corona Virus Disease (COVID -19) has acted as a massive restraint on the textile manufacturing market in 2020-21 as supply chains were disrupted due to trade restrictions and consumptions declined due to lock downs imposed by Governments globally. The global economy reported de-growth of 3.5% in 2020 compared to a growth of 2.9% in 2019, the sharpest contraction since World War II. Steps by National Governments to contain the transmission have resulted in halting of manufacturing activities and decline in economic activity with countries entering a state of “lock down” and outbreak is expected to continue to have negative impact on businesses throughout 2020 and 2021. Asia, being the largest manufacturer for the textile industry in the world, has suffered due to sudden drop in international demand for their products coupled with prolonged lockdown and restrictions in majority of the Countries. The key consuming markets in the world are China, European Union, the United States and India, all of which were affected due to the COVID 19 pandemic.

The G20 countries experienced an aggregate slowdown of (-) 3.2%, with the Euro area contracting by (-) 6.8%, UK by (-) 9.9%, Japan by (-) 4.8% and the US by (-) 3.5%. Among major economies, India contracted by (-) 7.3% while China was the only major economy to record a growth of 2.3% in 2020. The global economy is projected to grow by 5.5% in 2021 largely due to the successful roll-out of vaccines across the globe, coupled with policy support in large economies and a revival in consumer demand. Cotton supports the global textile market. India, China, Pakistan and United States are major cotton producers. World cotton production in 2021-22 is forecast at 119.4 million bales, 6.3 million above the year before. Based on USDA's initial 2021-22 projection, each of the major cotton producers, except China, is expected to have a larger crop for the upcoming season, as global area is forecast to rise 4.5% amid higher cotton prices during the spring planting season.

INDIAN TEXTILE INDUSTRY

India's share in global exports of cotton yarn shrunk 600 basis points to 23% in CY2020 from 29% in CY2015, while in readymade garments (RMG), its share has stagnated at 3-4% over the past decade. Lack of free trade agreements (FTAs) and significant improvement in peer competitiveness have caused this. Textiles is important to India's \$313 billion merchandise exports as it accounts for ~11% of the pie. The sector is also a significant employment generator. Given its economic importance, the sector has seen a slew of measures from the government of late, including the textile parks announced in Union Budget 2021-22 and inclusion of the sector for allocations under the Production-linked Incentive (PLI) scheme. While these are steps in the right direction, CRISIL Research's analysis indicates more is needed to address the issues and spur a revival. In cotton yarn, India has lost market share over the past decade to Vietnam and China because of high cost and lack of FTAs amid intensifying competition. In RMG, India has done well to maintain its share even as global trade in the segment contracted. But competitors such as Vietnam and Bangladesh have done much better – they capitalised on China's falling share in the past five fiscals, while India could not. Further, Indian textiles players were pushed to the brink in 2020 as the Government of India reduced export incentives in line with guidelines of the World Trade Organization.

India ranks second in the production of textiles and garments worldwide. The textile industry is instrumental in the development of Indian economy as it contributes 2% to India's GDP and 7% of industry output by value. The industry is the second largest employer in the country, employing more than 4.5 crores people directly, 6 crores in allied sectors and contributing 15% export earnings in 2020-21. India's domestic textile and apparel market was estimated at USD 75 billion in 2020-21 and estimated at a CAGR of 12% to USD 220 billion by 2025-26. Some 75% of the total consumption was in the domestic market and the rest by exports. Growing population, demographic advantage and consumer preference for branded products could strengthen demand. India's textile and apparel exports were valued at USD 37 billion in FY 2019, USD 36 billion in FY 2020 and estimated at USD 70 billion by FY 2026.

The Government of India is working on major initiatives and reforms in textile sector, including launch of “Mega Integrated Textile Region and Apparel (MITRA) Park” Scheme to establish seven textile parks with state-of-the-art infrastructure and common utilities and R&D lab over a 3-year period; starting a focused product scheme; positioning the country as a global hub in the Man-Made Fibre (MMF) and technical textile segments. Inclusion of the sector for allocations under the Production-linked Incentive (PLI) scheme. These may help the sector enhance its export share over the medium to long term. Competitive advantage, robust demand, favourable government policies, increasing investments and urbanisation are expected to be the key drivers for revival of the industry.

Recently, however, the US imposed a ban on cotton and cotton-based products originating from Xinjiang region in China, which contributes more than 80% in China's cotton production. Since it is the largest cotton producing area globally, with ~20% contribution, the ban will affect the entire textile value chain. India is in negotiations with the UK – which accounts for ~10% of India's RMG exports for a new FTA. If the agreement is inked, Indian exporters (who pay 8-12% import duty at present), may gain a preferential and competitive status where India is offering higher-priced products compared with Bangladesh and Vietnam, which signed FTAs with the UK recently.

MANAGEMENT DISCUSSION & ANALYSIS (Contd...)

RAW COTTON SCENARIO IN INDIA

India is one of the largest global producers of cotton accounting for about 26% of the world cotton production. India has the distinction of having the largest area under cotton cultivation, which is about 41% of the world area under cotton cultivation. The yield per kgs / hectore of cotton in 2020-21 is 487 kgs / ha, lower than the world average yield of about 768 kgs /ha. The total cotton production in India was estimated at 371 lakhs bales of 170 kilos for the 2020-21 season. According to the Cotton Association of India, the opening Stock of the season was estimated at 120.95 lakhs bales and the carry over stock estimated at the end of the season was 97.95 lakhs bales. Total consumption was expected to be around 330 lakhs bales, whereas imports and exports were estimated at 11 lakhs bales and 75 lakhs bales respectively in FY 2021.

DOMESTIC COTTON YARN - WAY FORWARD

Domestic cotton yarn demand in fiscal 2022 to be driven by home textile segments recovery and focus on hygiene to support the cause. Industrial capacity utilization increased swiftly to reach over 90% during third quarter of fiscal 2021 and is expected to sustain at healthy levels next fiscal too Yarn realisations expected to remain healthy supported by both domestic and export demand primarily driven by ban on Chinese cotton by US. Higher surge in yarn prices vis-à-vis cotton prices resulted in high cotton-yarn spreads in fiscal 2021 should sustain in fiscal 2022 with expectation of continued high demand. Better business performance and working capital management to support debt protection metrics across segments in fiscal 2022. Cotton-Yarn spreads to remain high as yarn prices likely to stay firm vis a vis cotton prices due to sustained demand which should result in operating profitability increasing by 200-250 bps. Credit profiles of spinners to improve on higher operating profit and better working capital cycle.

BUSINESS OVERVIEW, INDUSTRY DEVELOPMENTS, OPPORTUNITIES AND THREATS

The Company is engaged in business of manufacture and export of high-quality combed cotton yarns. The yarn is manufactured from the world's best sources of long and extra-long staple cotton like American Supima, Egyptian Giza, contamination free Australian and American cottons and superior Indian cotton like Shankar-6, MECH and DCH-32. The company manufactures yarns of various counts ranging from NE 20's to NE 100s. Permutations and combinations in spinning and finishing process results in yarns of varied qualities for specific end users. The company was amongst the first in India to manufacture compact yarn using the breakthrough technology of compact spinning, and also uses state-of-art machineries across its plants. Presently, the Company has a capacity of 51,808 spindles at Aluva, Kerala, consisting of 27600 compact spinning and 24208 ring spinning. The Company has promoted Patspin India Ltd., which has 2 plants at Palakkad in Kerala and Ponneri in Tamil Nadu having a capacity of 1,14,000 spindles, consisting of 70,752 Compact Spinning and 43,248 Ring Spinning, and also capacity for value added products i.e. Twisting, Gassing and Soft winding.

The promoters have 5 decades of experience in spinning industry with its first unit in Kerala in 1966. The company derives its strength from rich experience of promoters in marketing of cotton yarns in international market for over 4 decades. The company has built up an excellent customer base over the years by supplying consistent quality and timely deliveries of yarns. With flexibility to produce varied counts of cotton yarns, carded, combed, single and twisted, multi fold and gassed, the company is able to retain its customers

For Spinning industry, raw material is cotton, which is a seasonal product, the cultivation of which is mainly rain-fed and as such dependent on vagaries of monsoon. Adequate availability of raw cotton at right price is crucial for the company. However, as import of cotton is freely allowed, the risk of cotton availability as well as exchange rate fluctuation is partly mitigated.

Some of the threats faced by the spinning industry include technological obsolescence, high minimum support price for cotton, overcapacity in industry, increasing input costs, skilled labour availability besides fluctuating demand for yarn. With the opening up of domestic and international markets, overall demands for cotton yarn are projected to remain good. The uptrend in domestic yarn price and its higher exports may provide opportunities and some respite to the spinning industry. However, prolonged prevalence of covid -19 might impact the Indian textile sector's supply and demand dynamics.

RISK AND CONCERNS

- a. Raw Cotton, an agricultural product, is the key raw material used for the manufacture of cotton yarn. Almost 65 percent of area under cotton cultivation is rain-fed and hence is dependent on vagaries of monsoon, which this year has shown uncertain signs so far. Adequate availability of raw cotton at right prices is crucial for the Company. Any disruption in the supply and/or violent changes in the cost structure would affect the profitability of the Company.
- b. Your Company follows an efficient inventory management system and a well-crafted strategy of procuring raw materials through a mix of spot and long-term contracts. The company's conscious efforts on maintaining a judicious mix of markets for its sales and thrust on specialty products like Better Cotton Initiative (BCI), Supima yarns and Giza yarns have also proved to be beneficial.
- c. Volatility in foreign currency exchange rates vis-a-vis Indian Rupee is another area of concern since a sizable production of cotton yarn is exported by your company. The Company has in place various Management Information Systems, which enable the management to take decisions on exposures relating to exports and imports. The Company continues to strengthen these systems to minimize the risk involved due to adverse movement of exchange rates.

MANAGEMENT DISCUSSION & ANALYSIS (Contd...)

- d. Your Company has a system of assessing the risks on an ongoing basis. This includes an effective internal control and management reporting system. Further, the framework also captures the existing practices to manage commodity price risk, interest risk, and foreign exchange risk etc. An important aspect of this framework is to promote a balanced approach that considers risk and return.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a proper and adequate internal control system to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition and that all transactions are authorized, recorded and reported correctly. The internal control is supplemented by an extensive programme of internal audits, review by management and documented policies, guidelines and procedures. The internal control is designed to ensure that financial and other records are reliable for preparing financial statements and other data and for maintaining accountability of assets.

DISCUSSIONS ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Please refer to Board's Report on performance review.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company recognizes the importance and contribution of its human resources for its growth and development and is committed to the development of its people. The Company has been adopting methods and practices for Human Resources Development. With utmost respect to human values, the Company continues to develop its human resources, through a variety of services by providing appropriate training, motivation techniques and employee welfare activities.

Industrial relations were cordial and satisfactory.

As on 31st March, 2021, the Company has about 594 employees in its various offices and factory.

CAUTIONARY STATEMENT

Statements made in this report describing the Company's projections, estimates, expectations or predictions may be 'forward looking predictions' within the meaning of applicable securities laws and regulations. Actual result may differ from such estimates, projections, etc. whether expressed or implied. Factors which would make a significant difference to the Company's operations include availability of quality raw cotton, market prices in the domestic and overseas markets, changes in Government regulations and tax laws, economic conditions affecting demand / supplies and other environmental factors over which the Company does not have any control.

INDEPENDENT AUDITOR'S REPORT

To the Members of GTN Textiles Ltd

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying financial statements of **GTN Textiles Ltd** (the "**Company**"), which comprise the Balance Sheet **as at 31st March, 2021**, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (Hereinafter referred to as "Standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements for the year ended 31st March, 2021 give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2021, and loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Relating to Going Concern

4. The Company has incurred a net loss of Rs.3600.71 lakhs and cash loss of Rs 2,052.80 lakhs during the year ended 31st March, 2021 and net worth is eroded as on that date. Since, Company has been unable to conclude re-negotiations or obtain replacement financing, the Company's future cash flows are uncertain. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However as per the information and explanation provided by the Company (note no 5) Company's account with Lenders was classified as sub-standard as of 31st March 2021 due to irregularity in working capital account. Company is in discussion with Lenders and working on a proposal to regularise the account from sale proceeds of non-core assets. As the estimated sale value of non-core assets is higher than the amount of irregularity with Lenders, Management is hopeful of resolving it at the earliest.

In view of this our report is not modified

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no matter to be communicated as a key audit matter in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated .

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

The above information is not available to us as on the date of our report.

Management's Responsibility for the Standalone Financial Statements:

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Standalone) specified under section 133 of the

INDEPENDENT AUDITOR'S REPORT (Contd...)

Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements:

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITOR'S REPORT (Contd...)

Other Matter

15. On account of the COVID 19 related lockdown restrictions, Management was not able to perform the year end physical verification of inventories in aggregating to Rs. 921.37 lakhs at certain locations. Consequently, we have performed alternative audit procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence – Specific consideration to selective items" which includes physical verification done by the management during the year and their supporting documents relating to purchases, construction and sales and have obtained sufficient audit evidence to issue our unmodified opinion on these standalone financial statements.

Report on Other Legal and Regulatory Requirements:

16. As required by Section 143(3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - The Balance Sheet, the Statement of Profit and Loss (Including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - On the basis of written representations received from the directors as on 31st March 2021 taken on record by the board of directors, none of the directors are disqualified as on 31st March, 2021 from being appointed as directors in terms of section 164(2) of the Act.
 - With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financials controls with reference to financial statements.
 - In our opinion, according to the information and explanations given to us and based on our examination of the records of the company, the Company has paid/provided for managerial remuneration for the year ended on March 31, 2021 has paid/provided by the Company to its directors in accordance with the provisions of the section 197 of the Act read with Schedule V to the Act.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company did not have any pending litigations on its financial position in its Standalone financial statements.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
17. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in "Annexure - B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

INDEPENDENT AUDITOR'S REPORT (Contd...)

Annexure - A to the Independent Auditors' Report

**(Referred to in paragraph 16(f) under 'Report on Other Legal and Regulatory Requirements' section of our report)
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **GTN Textiles Ltd** ("the Company") as at 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended and as at on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements.

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that,

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements.

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT (Contd...)

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance

Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

Significant Accounting Policies and notes forming part of the Financial statements as at and for the year ended 31st March, 2021.

1 Corporate Information:

GTN Textiles Limited ('the company') is a Public Limited company incorporated and domiciled in India, and has its registered office at Erumathala, Aluva, Cochin, Kerala State, India. The company has been incorporated under the provisions of The Companies Act, 1956 and its equity shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) in India. The Company is engaged primarily in the business of manufacture and Sale of Fine and super fine combed cotton yarn. The company was registered as "Medium Enterprises - Manufacturing" on 14th August 2020 under the Provisions of MSMED Act 2006 as per the registration certificate obtained from Udyam portal of Ministry of MSME.

2 Significant Accounting Policies

2.1 Basis of preparation of financial statements:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act 2013 read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act.

2.2 Rounding of amount

These standalone financial statements are presented in Indian Rupees, which is also the Company's functional currency. All amounts disclosed in the financial statements and notes have been rounded off to the nearest lacs as per the requirement of Schedule III, of the Companies Act 2013, unless otherwise stated.

2.3 Historical Cost convention

The financial statements have been prepared under the historical cost convention, on the basis of a going concern and on accrual basis except for the following items –

- a. Certain Financial Assets and Liabilities (including derivative instruments) are measured at Fair value
- b. Defined benefit employee plan - Plan assets measured at fair value

2.4 Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses of the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of the future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively.

2.5 Classification of Assets and Liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisations in cash and cash equivalents, the company has ascertained its operating cycle as 12 (twelve) months for the purpose of current and non-current classification of assets and liabilities.

2.6 Property, Plant and Equipment:

All items of property, plant and equipment are stated at cost net of accumulated depreciation and impairment, if any. The cost comprises its purchase price and any cost directly attributable to bringing the Property, Plant and Equipment to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the statement of profit and loss. Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising from the retirement of and gains or losses arising from disposal of Property, plant and equipment are recognised in the statement of profit and loss.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

The Company assesses at each Balance Sheet date whether there is any indication that any property, plant and equipment may be impaired, if any such indication exists, the carrying value of such property, plant and equipment is reduced to recoverable amount and the impairment loss is charged to statement of profit and loss. If at the Balance sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment except Free hold Land for which the company had adopted revaluation model pursuant to the para 29 to 31 of Ind AS 16 and recognised revalued cost as its deemed cost as at 1st April 2016.

Revaluation of freehold land would be carried at sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

2.7 Depreciation:

Depreciation has been provided on straight line method based on useful life of Assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation is provided pro-rata from the date of capitalisation. Depreciation is calculated on the carrying amount, which is the cost of an asset less its residual value.

2.8 Intangible Assets

Intangible assets are carried at cost, net of accumulated amortization and impairment losses, if any. Cost of an intangible asset comprises of purchase price and attributable expenditure on making the asset ready for its intended use.

The Company assesses at each Balance sheet date whether there is any indication that any intangible asset may be impaired, if any such indication exists, the carrying value of such intangible asset is reduced to recoverable amount and the impairment loss is charged to statement of profit and loss. If at the Balance sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its Intangible Assets recognized as at 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of Intangible Assets.

2.9 Amortization:

Intangible assets are amortized based on their estimated useful lives.

2.10 Investments

The Company has elected to measure investment in equity shares of associate company at deemed cost, which is previous GAAP carrying amount. Accordingly, under Ind AS, the Company has recognised investment as follows:

Equity shares of associate company - At deemed cost.

Quoted equity shares in other Company - At fair value.

Unquoted Equity shares - At fair value through profit and loss (FVTPL)

2.11 Inventories

Inventories are stated at lower of cost and net realisable value. Goods in process is stated at cost. The cost includes cost of purchase, freight, taxes and duties and is net of input credit where ever applicable, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Raw Material is stated at "weighted average" cost method and finished goods at "Specific identification" cost method.

Realty business segment:

Land which is considered as Stock In Trade under realty business segment is valued at lower of cost or net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

2.12 Financial Assets / Liability Policy:

a. Financial Assets

Classification and Measurement

All the financial assets are initially measured at fair value. Transactions costs that are directly attributable to the acquisition of financial asset (other than financial assets carried at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

Subsequent measurement

Subsequent measurement of financial assets depends on the classification i.e financial assets carried at amortised cost or fair value (either through other comprehensive income or through profit and loss). Such classification is determined

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

on the basis of Company's business model for managing the financial assets and the contractual terms of the cash flows.

The Company's financial assets primarily consists of cash and cash equivalents, trade receivables, balance with statutory authority, loans and advances and security deposits etc which are classified as financial assets carried at amortised cost.

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

A gain or loss on financial asset that is subsequently measured at amortised cost is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is recognized using the effective interest rate method.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. For trade receivables, the Company provides for lifetime expected credit losses recognized from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is de-recognised only when the Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

b. Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

The Company's financial liabilities include trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through statement of profit and loss :

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risks are recognized in OCI. These gains/losses are subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit and loss.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the term of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amount is recognized in the statement of profit and loss.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

2.13 Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.14 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, considering contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of Goods:

Revenue from sale of goods are recognised on transfer of significant risk and rewards of ownership to the buyer which generally coincides with shipment. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Revenue from sale of land and plots:

In respect of realty business segment the revenue from sale of land and plots is recognised in the year in which the underlying sale deed is executed and there exists no uncertainty in the ultimate collection of consideration from buyers.

Rendering of Services :

Service revenues are recognised when services are rendered, and when the outcome of the transaction can be estimated reliably.

Dividend, Interest income, Claims:

Dividend income from investments is recognised when the Company's right to receive dividend is established provided it is probable that the economic benefits associated with the dividend will flow to the Company as also the amount of dividend income can be measured reliably.

Interest income from a financial asset is recognised on a time basis, by reference to the principal outstanding using the effective interest method provided it is probable that the economic benefits associated with the interest will flow to the Company and the amount of interest can be measured reliably.

Insurance and other Claims are accounted for when no significant uncertainties are attached to their eventual receipt.

2.15 Borrowing

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

2.16 Borrowing cost

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such asset upto the date when such asset is ready for its intended use. All other Borrowing costs are charged to Statement of Profit and Loss in the year in which they are incurred.

2.17 Short-term Employee Benefits

Short Term employee benefits including accrued liability for Leave Encashment (other than termination benefits) which are payable within 12 (twelve) months after the end of the period in which the employees render service are paid/ provided during the year, as per the Rules of the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

Defined Contribution Plans:

Company's contributions paid/payable during the year to Provident and Family Pension Funds, and Employees State Insurance are recognized in the Statement of Profit and Loss.

Defined Benefit Plans:

The Employees' Gratuity Fund Scheme covered by the Group Gratuity cum-Life Assurance Policy of LIC of India is a Defined Benefit Plan. The present value of obligation is determined based on actuarial valuation using Projected Unit Credit Method which recognizes each period of service as giving rise to additional amount of employees benefit entitlement and measures each unit separately to build up the final obligation.

2.18 Foreign currency Transactions

Initial recognition:

Transactions in Foreign Currencies entered into by the Company are accounted at the exchange rate prevailing on the date of the transaction.

Measurement:

Foreign Currency monetary items of the Company outstanding at the balance sheet date are restated at year end exchange rates.

Non-monetary items carried at historical cost are translated using the exchange rates at the dates of initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on transaction of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

Treatment of exchange difference

Exchange differences arising on settlement/restatement of foreign currency monetary assets and liabilities of the Company are recognised as income or expenses in the Statement of Profit and Loss.

2.19 Taxation

- a. Current tax is made on the basis of estimated taxable income for the year or computed in accordance with the Income-Tax Act, 1961 and recognized in the statement of Profit and Loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.
- b. Deferred tax on account of timing differences, between taxable income and accounting income is recognized using the tax rates and laws that have been substantively enacted as of the balance sheet date. Deferred tax assets are recognized to the extent there is reasonable certainty that these would be realized in future.
- c. Current and deferred tax are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.20 Provisions and Contingent Liabilities:

Provisions: Provisions are recognized when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities:

Contingent liabilities is a possible obligation in the normal course of business arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

The Company does not recognise a contingent liability but discloses its existence in the financial statements.

2.21 Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit / loss before extraordinary items and tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments. Cash flows from operating, investing and financing activities of the Company are segregated.

2.22 Cash and Cash equivalents Policy:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

2.23 Earnings per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.24 Exceptional Items:

When an item of income or expense within profit or loss from ordinary is of such size, nature or incidence that their disclosure is relevant to explain the performance of the company for the year, the nature and amount of such items is disclosed as exceptional items.

The Company has a single class of equity shares having a par value of ₹10 each. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to their share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or there sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

34 Employee Benefits Plan

Gratuity:

In accordance with the applicable laws, the Company provides for Gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees. The Gratuity plan provides for a lump sum payment to vested employees on retirement (subject to the completion of 5 years of continuous employment), death, incapacitation or termination of the employment based on last drawn salary and tenure of employment.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date and the Company makes annual contribution to the Gratuity Fund administered by Life Insurance Corporation of India, which is basically a year-on-year cash accumulation plan. Though the Company has not fully funded to LIC, adequate provision has been made in the books of accounts. As part of the scheme the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance company, as part of the policy rules, makes payment of all gratuity settlements during the year subject to sufficiency of funds under the policy.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

39 Contingent liabilities and commitments

Contingent liabilities

- 1 The company has given corporate Guarantee amounting of ₹300 Lakhs (Previous year ₹300 Lakhs) to EXIM bank in respect of financial assistance provided by them to PATSPIN INDIA LIMITED under restructured TUF scheme and the outstanding amount of the said loan is ₹687.34 Lakhs. (Previous year ₹607.14 Lakhs)
- 40 Due to Covid-19 pandemic and consequent lockdowns imposed by the Central Government, and state Government, the operations of the Company were repeatedly suspended impacting production and dispatches for major part of the year. The Company could resume operations since last week of September 2020. Further, In view of recent surge in Covid-19 cases, state Government has again reimposed Lockdown and restrictions. The repeated suspension of plant operations has resulted in lower capacity utilization and impacted the performance of the company for the Year ended 31.03.2021. However, as per the current assessment of the Company, there is no material Impact on the carrying values of trade receivables, Inventories, and other financial / non-financial assets as at the reporting date. Given the uncertainties associated with nature, condition and duration of Covid-19, the company will closely monitor any material changes arising out of the future economic conditions. The impact of the pandemic in the subsequent period is highly dependent on the situations as they evolve and hence may be different from that estimated as at the date of approval of these financial results.
- 41 Company's account with Lenders was classified as sub-standard as of 31st March 2021 due to irregularity in working capital account. Company is in discussion with Lenders and working on a proposal to regularise the account from sale proceeds of non-core assets. As the estimated sale value of non-core assets is higher than the amount of irregularity with Lenders, Management is hopeful of resolving it at the earliest.
- 42 In view of the note 40 & 41 above, Deferred Tax Asset for the current financial year was not recognized and the Deferred tax Asset recognized in earlier year(s) of ₹1239 lac was reversed in the Financial Year 2020-21.
- 43 The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code and recognize the same when the Code becomes effective.

44 Financial risks management

In the course of business, amongst others, the Company is exposed to several financial risks such as Credit Risk, Liquidity Risk, Interest Rate Risk and Exchange Risk . These risks may be caused by the internal and external factors resulting into impairment of the assets of the Company causing adverse influence on the achievement of Company's strategies, operational and financial objectives, earning capacity and financial position.

The Company has formulated an appropriate policy and established a risk management framework which encompass the following process.

- identify the major financial risks which may cause financial losses to the company
- assess the probability of occurrence and severity of financial losses
- mitigate and control them by formulation of appropriate policies, strategies, structures, systems and procedures
- Monitor and review periodically the adherence, adequacy and efficacy of the financial risk management system.

The Company enterprise risk management system is monitored and reviewed at all levels of management, Internal Auditors, Audit Committee and the Board of Directors from time to time.

Credit Risk

Credit Risk refers to the risks that arise on default by the counterparty on its contractual obligation resulting into financial loss to the company. The company may carry this Risk on Trade and other receivables, liquid assets and some of the non current financial assets.

In case of Trade receivables, the company has framed appropriate policy for extending credits period & limit to each customer based on their profile, financial position etc. The collections of trade dues are strictly monitored . In case of Export customers, even credit guarantee insurance is also obtained wherever required.

Company's exposure to Credit Risk is also influenced by the concentration of risk from top five customers. The details in respect of the % of sales generated from the top customer and top five customers are given hereunder.

Particulars	Current Year	Previous Year
Revenue from Top Customer	13.97%	11.69%
Revenue from Top Five Customers	43.46%	34.43%

The credit risk on cash & cash equivalent, investment in fixed deposits, liquid funds and deposits are insignificant as counterparties are banks with high credit ratings assigned by the rating agencies of international repute.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

Liquidity Risk

Liquidity Risk arises when the company is unable to meet its short term financial obligations.

The company maintains liquidity in the system so as to meet its financial liabilities.

Contractual maturities of financial liabilities are given as under:

Particulars	As at 31st March 2021	Due within 12 months from Balance sheet Date	Due beyond 12 months of Balance Sheet Date	As at 31st March 2020	Due within 12 months from Balance sheet Date	Due beyond 12 months of Balance Sheet Date
Borrowings	7,235.46	6,046.17	1,189.29	6,426.22	6,007.72	418.50
Trade payables	649.35	649.35	-	3,196.82	3,196.82	-
Other Financial Liabilities	383.59	383.59	-	185.69	185.69	-

Interest Rate Risk

Generally market linked financial instruments are subject to interest rate risk. The company does not have any market linked financial instruments both on the asset side as well liability side. Hence there is no interest rate risk linked to market rates.

However the interest rate in respect of major portion of borrowings by the Company from the banks are linked with the MCLR / Base Prime lending rate of the respective lender. Any fluctuation in the same either on higher side or lower side will result into financial loss or gain to the company.

The amount which is subjected to the change in the interest rate is of ₹ 4953.06 lakhs out of the total debt of ₹ 7235.46 Lakhs

Based on the Structure of the debt as at year end, a half percentage point increase in the interest rate would cause an additional expense in the net financing cost of ₹ 24.77 Lakhs on annual basis.

Foreign Currency Risk

The company is exposed to the foreign currency risk from transactions & translation. Transactional exposures are arising from the transactions entered in foreign currency. Management keeps a close watch of the maturity of the financial assets in foreign currency and payment obligations of the financial liabilities.

Particulars of un- hedged Foreign Currency exposures as at 31.03.2021 are given below:

Particulars	As at 31.03.2021			As at 31.03.2020		
	Amount in Lakhs	Exchange Rate ₹	Amount (₹ in lacs)	Amount in Lakhs	Exchange Rate ₹	Amount (₹ in lacs)
Accounts payable	Nil	Nil	Nil	USD 4.37	75.69	330.72

Based on one percentage point variations in the exchange rate, the profit before tax for the year based on the un hedged foreign currency transaction entered during the period was Nil.

Capital risk management

The Company's objectives when managing capital are to :

- ◆ Create value for its shareholders and other stake holders
- ◆ maintain an optimal capital structure to reduce the cost of capital through a fair mix of equity with combination of short term / Long term as may be appropriate

The Company decides the amount of capital required on the basis of annual business and long-term operating plans which includes capital and other strategic investments. The Company's intention is to maintain a stable and strong capital structure so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business.

INDEPENDENT AUDITOR'S REPORT

To the Members of GTN Textiles Ltd

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of **GTN Textiles Ltd** (the "Parent Company"), and its associate which comprise the consolidated balance sheet **as at 31st March, 2021**, the consolidated statement of profit and loss (including Other Comprehensive Income), the consolidated cash flow statement and, the consolidated statement of changes in equity and the Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (Hereinafter referred to as "Consolidated Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements for the year ended 31st March, 2021 give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2021, and loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Relating to Going Concern

4. The Company has incurred a net loss of Rs.3600.71 lakhs and cash loss of Rs 2052.80 lakhs during the year ended 31st March, 2021 and net worth is eroded as on that date. Since, Company has been unable to conclude re-negotiations or obtain replacement financing, the Company's future cash flows are uncertain. This situation indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However as per the information and explanation provided by the Company (note no 5) Company's account with Lenders was classified as sub-standard as of 31st March 2021 due to irregularity in working capital account. Company is in discussion with Lenders and working on a proposal to regularise the account from sale proceeds of non-core assets. As the estimated sale value of non-core assets is higher than the amount of irregularity with Lenders, Management is hopeful of resolving it at the earliest.
In view of this our report is not modified.

Key Audit Matters

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no matter to be communicated as a key audit matter in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.
The above information is not available to us as on the date of our report.

Management's Responsibility for the Consolidated Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows in accordance with the accounting principles

INDEPENDENT AUDITOR'S REPORT (Contd...)

generally accepted in India, including the Indian Accounting Standards (Consolidated) specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements:

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - (i) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - (v) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

14. On account of the COVID 19 related lockdown restrictions, Management was not able to perform the year end physical verification of inventories in aggregating to Rs. 921.37 lakhs at certain locations. Consequently, We have performed alternative audit procedures to audit the existence of inventory as per the guidance provided in SA 501 "Audit Evidence – Specific consideration to selective items" which includes physical verification done by the management during the year and their supporting documents relating to purchases, construction and sales and have obtained sufficient audit evidence to issue our unmodified opinion on these consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT (Contd...)

Report on Other Legal and Regulatory Requirements:

15. As required by Section 143(3) of the Act, based on our audit, we report to the extent applicable that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The consolidated financial statements dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors of the Parent Company and taken on record by the Board of Directors of the Parent Company and the reports of the other statutory auditor of its Associate company covered under the Act, none of the Directors of the Group companies covered under the Act, are disqualified as on 31 March 2021 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Parent Company, and its Associate covered under the Act and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g) In our opinion, According to the information and explanations given to us and based on our examination of the records of the company, the Company has paid/provided for managerial remuneration for the year ended on March 31, 2021 has paid/provided by the Company to its directors in accordance with the provisions of the section 197 of the Act read with Schedule V to the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements/consolidated financial statements as also the other financial information of the subsidiaries and associates:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses, and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - i) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

INDEPENDENT AUDITOR'S REPORT (Contd...)

Annexure - A to the Independent Auditors' Report

**(Referred to in paragraph 15 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report)
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **GTN Textiles Ltd** ("the Company") **as at 31st March, 2021** in conjunction with our audit of the financial statements of the Company for the year ended and as at on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements.

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that,

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements.

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INDEPENDENT AUDITOR'S REPORT (Contd...)

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

Significant Accounting Policies and notes forming part of the Consolidated Financial statements as at and for the year ended 31st March, 2021.

1 Corporate Information:

The Consolidated Financial statements comprise financial statements of GTN Textiles Limited and its Associate, PATSPIN INDIA LIMITED for the year ended 31st March, 2021. GTN Textiles Limited is holding 46.21% of equity shares of Patspin India Limited.

GTN Textiles Limited ('the company') is a Public Limited company incorporated and domiciled in India, and has its registered office at Erumathala, Aluva, Cochin, Kerala State, India. The company has been incorporated under the provisions of The Companies Act, 1956 and its equity shares are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) in India. The Company is engaged primarily in the business of manufacture and Sale of Fine and super fine combed cotton yarn. The company was registered as "Medium Enterprises - Manufacturing" on 14th August 2020 under the Provisions of MSMED Act 2006 as per the registration certificate obtained from Udyam portal of Ministry of MSME.

2 Significant Accounting Policies

2.1 Basis of preparation of Consolidated financial statements:

The Consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act 2013 read with Rule 4 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act.

2.2 Basis of Consolidation

The Consolidated financial statements comprise the financial statement of GTN Textiles and its Associate, Patspin India Limited (Collectively referred as "the Group") as at 31st March, 2021.

The results and assets and liabilities of associates are incorporated in these consolidated financial statements using the equity method of accounting.

Under the equity method, investment in associate is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate. When the group's share of losses of associate exceeds the group's interest in that associate (Which includes any long-term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

Unrealised gains on transaction between the group and its associate is eliminated to the extent of the group's interest in this entity. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the assets transferred.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

2.2 Rounding of amount

These consolidated financial statements are presented in Indian Rupees, which is also the Company's functional currency. All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest lacs as per the requirement of Schedule III, of the Companies Act 2013, unless otherwise stated.

2.3 Historical Cost convention

The Consolidated financial statements have been prepared under the historical cost convention, on the basis of a going concern and on accrual basis except for the following items –

- a. Certain Financial Assets and Liabilities (including derivative instruments) are measured at Fair value
- b. Defined benefit employee plan – Plan assets measured at fair value

2.4 Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of consolidated financial statements and reported amounts of revenue and expenses of the reporting period. The recognition, measurement, classification or disclosure of an item or information in the consolidated financial statements is made relying on these estimates.

The estimates and judgements used in the preparation of the consolidated financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of the future events) that the group believes to be reasonable under the existing circumstances. Actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

2.5 Classification of Assets and Liabilities

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisations in cash and cash equivalents, the group has ascertained its operating cycle as 12 (twelve) months for the purpose of current and non-current classification of assets and liabilities.

2.6 Property, Plant and Equipment:

All items of property, plant and equipment are stated at cost net of accumulated depreciation and impairment, if any. The cost comprises its purchase price and any cost directly attributable to bringing the Property, Plant and Equipment to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the statement of profit and loss. Property, plant and equipment are eliminated from consolidated financial statements, either on disposal or when retired from active use. Losses arising from the retirement of and gains or losses arising from disposal of Property, plant and equipment are recognised in the consolidated statement of profit and loss.

The cost of property, plant and equipment which are not ready for their intended use before such date, are disclosed as capital work-in-progress.

The Group assesses at each Balance Sheet date whether there is any indication that any property, plant and equipment may be impaired, if any such indication exists, the carrying value of such property, plant and equipment is reduced to recoverable amount and the impairment loss is charged to statement of profit and loss. If at the Balance sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment except Free hold Land for which the group had adopted revaluation model pursuant to the para 29 to 31 of Ind AS 16 and recognised revalued cost as its deemed cost as at 1st April 2016. Revaluation of freehold land would be carried at sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

2.7 Depreciation:

Depreciation has been provided on straight line method based on useful life of Assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation is provided pro-rata from the date of capitalisation. Depreciation is calculated on the carrying amount, which is the cost of an asset less its residual value.

2.8 Intangible Assets

Intangible assets are carried at cost, net of accumulated amortization and impairment losses, if any. Cost of an intangible asset comprises of purchase price and attributable expenditure on making the asset ready for its intended use.

The Group assesses at each Balance sheet date whether there is any indication that any intangible asset may be impaired, if any such indication exists, the carrying value of such intangible asset is reduced to recoverable amount and the impairment loss is charged to statement of profit and loss. If at the Balance sheet date there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed, and the asset is restated to that extent.

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its Intangible Assets recognized as at 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of Intangible Assets.

2.9 Amortization:

Intangible assets are amortized based on their estimated useful lives.

2.10 Investments

The Group has elected to measure investment in equity shares of associate company at deemed cost, which is previous GAAP carrying amount. Accordingly, under Ind AS, the Group has recognised investment as follows:

Equity shares of associate company – At deemed cost.

Quoted equity shares in other Company – At fair value.

Unquoted Equity shares – At fair value through profit and loss (FVTPL)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

2.11 Inventories

Inventories are stated at lower of cost and net realisable value. Goods in process is stated at cost. The cost includes cost of purchase, freight, taxes and duties and is net of input credit where ever applicable, cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Raw Material is stated at "weighted average" cost method and finished goods at "Specific identification" cost method.

Realty business segment:

Land which is considered as Stock In Trade under realty business segment is valued at lower of cost or net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs of necessary to make the sale.

2.12 Financial Assets / Liability Policy:

a. Financial Assets

Classification and Measurement

All the consolidated financial assets are initially measured at fair value. Transactions costs that are directly attributable to the acquisition of financial asset (other than financial assets carried at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset.

Subsequent measurement

Subsequent measurement of financial assets depends on the classification i.e financial assets carried at amortised cost or fair value (either through other comprehensive income or through profit and loss). Such classification is determined on the basis of Company's business model for managing the financial assets and the contractual terms of the cash flows.

The Group's financial assets primarily consists of cash and cash equivalents, trade receivables, balance with statutory authority, loans and advances and security deposits etc which are classified as financial assets carried at amortised cost.

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

A gain or loss on financial asset that is subsequently measured at amortised cost is recognized in profit or loss when the asset is derecognized or impaired. Interest income from these financial assets is recognized using the effective interest rate method.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. For trade receivables, the Group provides for lifetime expected credit losses recognized from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is de-recognised only when the Group has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

b. Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction cost.

The Group's financial liabilities include trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through statement of profit and loss :

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognized in the consolidated statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risks are recognized in OCI. These gains/losses are subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit and loss.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the term of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amount is recognized in the statement of profit and loss.

Derivative financial instruments:

Derivative financial instruments such as future contracts are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

2.13 Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.14 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, considering contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Sale of Goods:

Revenue from sale of goods are recognised on transfer of significant risk and rewards of ownership to the buyer which generally coincides with shipment. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Revenue from sale of land and plots:

In respect of realty business segment the revenue from sale of land and plots is recognised in the year in which the underlying sale deed is executed and there exists no uncertainty in the ultimate collection of consideration from buyers.

Rendering of Services :

Service revenues are recognised when services are rendered, and when the outcome of the transaction can be estimated reliably.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

Dividend, Interest income, Claims:

Dividend income from investments is recognised when the Group's right to receive dividend is established provided it is probable that the economic benefits associated with the dividend will flow to the Group as also the amount of dividend income can be measured reliably.

Interest income from a financial asset is recognised on a time basis, by reference to the principal outstanding using the effective interest method provided it is probable that the economic benefits associated with the interest will flow to the Company and the amount of interest can be measured reliably.

Insurance and other Claims are accounted for when no significant uncertainties are attached to their eventual receipt.

2.15 Borrowing

Borrowings are initially recognised at net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Consolidated Statement of Profit and Loss over the period of the borrowings using the effective interest method.

2.16 Borrowing cost

Borrowing costs attributable to acquisition and construction of qualifying assets are capitalised as a part of the cost of such asset upto the date when such asset is ready for its intended use. All other Borrowing costs are charged to Consolidated Statement of Profit and Loss in the year in which they are incurred.

2.17 Short-term Employee Benefits

Short Term employee benefits including accrued liability for Leave Encashment (other than termination benefits) which are payable within 12 (twelve) months after the end of the period in which the employees render service are paid/ provided during the year, as per the Rules of the Group.

Defined Contribution Plans:

Group's contributions paid/payable during the year to Provident and Family Pension Funds, and Employees State Insurance are recognized in the Consolidated Statement of Profit and Loss.

Defined Benefit Plans:

The Employees' Gratuity Fund Scheme covered by the Group Gratuity cum-Life Assurance Policy of LIC of India is a Defined Benefit Plan. The present value of obligation is determined based on actuarial valuation using Projected Unit Credit Method which recognizes each period of service as giving rise to additional amount of employees benefit entitlement and measures each unit separately to build up the final obligation.

2.18 Foreign currency Transactions

Initial recognition:

Transactions in Foreign Currencies entered into by the Group are accounted at the exchange rate prevailing on the date of the transaction.

Measurement:

Foreign Currency monetary items of the Group outstanding at the balance sheet date are restated at year end exchange rates.

Non-monetary items carried at historical cost are translated using the exchange rates at the dates of initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on transaction of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

Treatment of exchange difference

Exchange differences arising on settlement/restatement of foreign currency monetary assets and liabilities of the Group are recognised as income or expenses in the Consolidated Statement of Profit and Loss.

2.19 Taxation

- a. Current tax is made on the basis of estimated taxable income for the year or computed in accordance with the Income-Tax Act, 1961 and recognized in the consolidated statement of Profit and Loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.
- b. Deferred tax on account of timing differences, between taxable income and accounting income is recognized using the tax rates and laws that have been substantively enacted as of the consolidated balance sheet date. Deferred tax assets are recognized to the extent there is reasonable certainty that these would be realized in future.
- c. Current and deferred tax are recognised in consolidated statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

2.20 Provisions and Contingent Liabilities:

Provisions: Provisions are recognized when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value. These are reviewed at each consolidated balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities:

Contingent liabilities is a possible obligation in the normal course of business arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

The Group does not recognise a contingent liability but discloses its existence in the consolidated financial statements.

2.21 Cash Flow Statement:

Consolidated Cash flows are reported using the indirect method, whereby profit / loss before extraordinary items and tax for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments. Cash flows from operating, investing and financing activities of the Group are segregated.

2.22 Cash and Cash equivalents Policy:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.23 Earnings per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.24 Exceptional Items:

When an item of income or expense within profit or loss from ordinary is of such size, nature or incidence that their disclosure is relevant to explain the performance of the group for the year, the nature and amount of such items is disclosed as exceptional items.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

The Company has a single class of equity shares having a par value of ₹10 each. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to their share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or there sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

34 Employee Benefits Plan

Gratuity:

In accordance with the applicable laws, the Company provides for Gratuity, a defined benefit retirement plan ("The Gratuity Plan") covering eligible employees. The Gratuity plan provides for a lump sum payment to vested employees on retirement (subject to the completion of 5 years of continuous employment), death, incapacitation or termination of the employment based on last drawn salary and tenure of employment.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation on the reporting date and the Company makes annual contribution to the Gratuity Fund administered by Life Insurance Corporation of India, which is basically a year-on-year cash accumulation plan. Though the Company has not fully funded to LIC, adequate provision has been made in the books of accounts. As part of the scheme the interest rate is declared on yearly basis and is guaranteed for a period of one year. The insurance company, as part of the policy rules, makes payment of all gratuity settlements during the year subject to sufficiency of funds under the policy.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)

39 Contingent liabilities and commitments

Contingent liabilities

- 1 The company has given corporate Guarantee amounting of ₹300 Lakhs (Previous year ₹300 Lakhs) to EXIM bank in respect of financial assistance provided by them to PATSPIN INDIA LIMITED under restructured TUF scheme and the outstanding amount of the said loan is ₹687.34 Lakhs. (Previous year ₹607.14 Lakhs)
- 40 Due to Covid-19 pandemic and consequent lockdowns imposed by the Central Government, and statement Government, the operations of the Company were repeatedly suspended impacting production and dispatches for major part of the year. The Company could resume operations since last week of September 2020. Further, In view of recent surge in Covid-19 cases, state Government has again reimposed Lockdown and restrictions. The repeated suspension of plant operations has resulted in lower capacity utilization and impacted the performance of the company for the Year ended 31.03.2021. However, as per the current assessment of the Company, there is no material Impact on the carrying values of trade receivables, Inventories, and other financial / non-financial assets as at the reporting date. Given the uncertainties associated with nature, condition and duration of Covid-19, the company will closely monitor any material changes arising out of the future economic conditions. The impact of the pandemic in the subsequent period is highly dependent on the situations as they evolve and hence may be different from that estimated as at the date of approval of these financial results.
- 41 Company's account with Lenders was classified as sub-standard as of 31st March 2021 due to irregularity in working capital account. Company is in discussion with Lenders and working on a proposal to regularise the account from sale proceeds of non-core assets. As the estimated sale value of non-core assets is higher than the amount of irregularity with Lenders, Management is hopeful of resolving it at the earliest
- 42 In view of the note 40 & 41 above, Deferred Tax Asset for the current financial year was not recognized and the Deferred tax Asset recognized in earlier year(s) of ₹1239 lac was reversed in the Financial Year 2020-21.
- 43 The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post-employment benefits has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code and recognize the same when the Code becomes effective.

44 Financial risks management

In the course of business, amongst others, the Company is exposed to several financial risks such as Credit Risk, Liquidity Risk, Interest Rate Risk and Exchange Risk . These risks may be caused by the internal and external factors resulting into impairment of the assets of the Company causing adverse influence on the achievement of Company's strategies, operational and financial objectives, earning capacity and financial position.

The Company has formulated an appropriate policy and established a risk management framework which encompass the following process.

- identify the major financial risks which may cause financial losses to the company
- assess the probability of occurrence and severity of financial losses
- mitigate and control them by formulation of appropriate policies, strategies, structures, systems and procedures
- Monitor and review periodically the adherence, adequacy and efficacy of the financial risk management system.

The Company enterprise risk management system is monitored and reviewed at all levels of management, Internal Auditors, Audit Committee and the Board of Directors from time to time.

Credit Risk

Credit Risk refers to the risks that arise on default by the counterparty on its contractual obligation resulting into financial loss to the company. The company may carry this Risk on Trade and other receivables, liquid assets and some of the non current financial assets.

In case of Trade receivables, the company has framed appropriate policy for extending credits period & limit to each customer based on their profile, financial position etc. The collections of trade dues are strictly monitored . In case of Export customers, even credit guarantee insurance is also obtained wherever required.

Company's exposure to Credit Risk is also influenced by the concentration of risk from top five customers. The details in respect of the% of sales generated from the top customer and top five customers are given hereunder.

Particulars	Current Year	Previous Year
Revenue from Top Customer	13.97%	11.69%
Revenue from Top Five Customers	43.46%	34.43%

The credit risk on cash & cash equivalent, investment in fixed deposits, liquid funds and deposits are insignificant as counterparties are banks with high credit ratings assigned by the rating agencies of international repute.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021 (Contd.)**Liquidity Risk**

Liquidity Risk arises when the company is unable to meet its short term financial obligations.

The company maintains liquidity in the system so as to meet its financial liabilities.

Interest Rate Risk

Generally market linked financial instruments are subject to interest rate risk. The company does not have any market linked financial instruments both on the asset side as well liability side. Hence there is no interest rate risk linked to market rates.

However the interest rate in respect of major portion of borrowings by the Company from the banks are linked with the MCLR / Base Prime lending rate of the respective lender. Any fluctuation in the same either on higher side or lower side will result into financial loss or gain to the company.

The amount which is subjected to the change in the interest rate is of ₹ 4953.06 lakhs out of the total debt of ₹ 7235.46 Lakhs

Based on the Structure of the debt as at year end, a half percentage point increase in the interest rate would cause an additional expense in the net financing cost of ₹ 24.77 Lakhs on annual basis.

Foreign Currency Risk

The company is exposed to the foreign currency risk from transactions & translation. Transactional exposures are arising from the transactions entered in foreign currency. Management keeps a close watch of the maturity of the financial assets in foreign currency and payment obligations of the financial liabilities.

Particulars of un- hedged Foreign Currency exposures as at 31.03.2021 are given below:

Particulars	As at 31.03.2021			As at 31.03.2020		
	Amount in Lacs	Exchange Rate ₹	Amount (₹ in lacs)	Amount in Lacs	Exchange Rate ₹	Amount (₹ in lacs)
Accounts payable	Nil	Nil	Nil	USD 4.37	75.69	330.72

Based on one percentage point variations in the exchange rate, the profit before tax for the year based on the un hedged foreign currency transaction entered during the period was Nil

Capital risk management

The Company's objectives when managing capital are to :

- ◆ Create value for its shareholders and other stake holders
- ◆ maintain an optimal capital structure to reduce the cost of capital through a fair mix of equity with combination of short term / Long term as may be appropriate

The Company decides the amount of capital required on the basis of annual business and long-term operating plans which includes capital and other strategic investments. The Company's intention is to maintain a stable and strong capital structure so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business.
